VA Educational Benefits Verification Form

It is important that the Financial Aid Office accurately monitor the amount a student is receiving in VA Educational Benefits. These benefits are considered to be a form of financial aid and effect eligibility for other forms of aid. Your responses to some of the questions on the Free Application for Federal Student Aid indicate you might or might not be receiving VA Educational Benefits. Please complete and return this form so we can properly document your file.

I certify I am **NOT** receiving any form of Veteran's Educational Benefits. I understand that should I receive benefits after signing this form that it is my responsibility to notify the Financial Aid Office immediately. I further understand that any future benefits I may receive could reduce my eligibility for other forms of aid I have received and this could result in my owing money back to the college.

I am receiving Veteran's Educational Benefits. Please provide details about these benefits below.
