

**Campus Life Taskforce
Minutes – 04/15/08 2:15 p.m.**

The Campus Life Taskforce met on Tuesday, April 15th at 2:15 p.m. in room 12 of the Student Center Building. Those present were: Lisa Bridges, Brett Watson, Kimberly Snyder, Tina Porter, Engle Troxler, Tiffany Cooper, John Kiser and Stephen Matheny.

The committee went over final preparations for Sports Day, scheduled for April 17, 2008. Brett described plans for the display table. A basket of gift items put together by Brett & Tiffany related to the focus on China theme was presented. The basket will be given to the winner of a drawing on Sports Day. Students who complete a five question survey related to their knowledge of China will be eligible for the drawing. The drawing will take place at 1:00 p.m.

Engle will provide information on three topics related to China. The information will be displayed in stands on the table. The topics will cover the Tibetan monk controversy, pollution and the Beijing Olympics, and general statistics.

Kimberly displayed several posters made by the SGA. They will be used to explain the emphasis on China and to point out areas of interest on Sports Day.

Stephen and Kimberly will each bring a Ping Pong table and set it up. Brett will ask Jim Garren to help him set up a volleyball court for Sports Day.

John Kiser brought the informational pamphlets purchased with Campus Life funds along with a message from Terry McEntire stating that April is "STD Awareness Month". He asked the committee to help distribute the pamphlets to each building on campus.

The remainder of the meeting was spent discussing the Health Fair scheduled for October 16, 2008. Suggested vendors were:

- representatives from Greenville Tech, A-B Tech and Cleveland Community College to promote health programs available on their campuses,
- Rutherford Hospital,
- Lifestyle Wellness and Spa,
- Therapy Plus,
- Body Masters,
- YMCA,
- Rutherford OB-GYN and
- Hospice.

Brett has a contact from Gaston College who coordinated a health fair on their campus this week. He will call and ask for contacts and tips from her. Tiffany reported that there may possibly be an intern available over the summer to work on the health fair. The intern would be based in Tiffany's office and could give her extension as a contact number. Brett will reserve the gym. It was suggested that the committee rent additional tables from Pro Rent-All using committee funds. Maintenance will be asked to help with the set-up and to pick up rented tables. It was suggested that healthy snacks be provided to participants and vendors funded from an institutional account.

The next meeting was scheduled for April 29, 2008 at 2:15 in the P.E Department. Committee members were asked to bring contact information for possible vendors to the next meeting (company name, contact person, telephone number and address). The meeting adjourned at 3:00 p.m.
