

## **CAMPUS LIFE TASKFORCE MINUTES**

### **Thursday, September 5, 2002**

The Campus Life Taskforce (CLT) met on Thursday, September 5, 2002 at 2:00 PM in Room 9 of the Student Center. Members present were Marnie Smathers, Debra Jones, Jo James, Melissa Swofford, Nan Thompson, Pat Harris, Lisa Bridges, Scott Scheer, Evelyn Parks, Bill McDaniel, Cindy Hightower, Susan Martin and Audrey Sherrill.

All members were welcomed to the first CLT meeting and thanked for their willingness to serve on this taskforce.

The following items were discussed:

#### Healthy Carolinians \$2010 Grant

The grant process was briefly reviewed and the following actions were planned:

- Cindy will take a copy of the fitness trail stations for review by someone in the fitness industry.
- Kristi will send a copy of the map and station out to taskforce members.
- Melissa can get a prototype of the sign posts that will go up along the trail.
- Research the possibility of purchasing numbers for the sign posts.
- Jo agreed to do the print layout for each fitness station along the trail.
- Susan will check with Roger Davis to see if there will be any roadblocks in putting up the sign posts at each station.
- The grant timeline will be updated once funds are made available and a copy will be given to taskforce members.
- The first kick-off event for the fitness trail will take place on October 9 which is Grub Day. Jo agreed to help with planning the activities for the kick-off. Suggestions included doing a scavenger hunt along the trail and contests with small give-away prizes. Individual campus clubs could designate a member to be at each station. The kick-off event and information about the trail will be published in the first campus newspaper.
- A community kick-off is tentatively set for the spring.
- Research the possibility of having a grand finale give-away for those that participate in walking the trail on Grub Day and any group that walks the trail with an escort by the end of the grant timeline.
- Jo will find out when Diabetes month falls on the calendar.
- Jo indicated that future grant funding options could come from Wyeth.

#### Other CLT Activity Possibilities

- Bulb Planting Day this fall.
- Find a useful way to use the amphitheater marquee.
- Cooking contests.
- Revive Purkey's Porkies but with a different name.

Next Meeting: September 19, 2002 at 2:00 PM.
