### New Business:

- Spring semester meetings/events
  - We will not have any more meetings this semester
  - Environmental Awareness Day will be our last event for the semester
- Summer semester meetings/events
  - We usually don't have any during the summer; we may have to call one depending on what we need to plan for the fall
- Fall semester meetings/events
  - ✖ Think of events that we should consider hosting/helping this fall; suggestions so far:
    - Campus beautification
      - West end of Physical Education bldg (cosmetology area) - planting bulb flowers, shrubbery, replace timbers (Lee suggested using rocks instead of timbers), paint rail, etc.
      - Revamping fitness trail, markers, signage, map
      - Check with maintenance, Scott Bradey, or others who may need assistance on a project
    - Global Awareness event for the country of Turkey
      - International Festival with an emphasis on Turkey
      - Lori to research Turkish holidays that we can celebrate in the fall and spring
    - HealthFest (2<sup>nd</sup> Annual); this event may be better suited for the Nursing Department to coordinate and Campus Life could assist
    - Old Fashioned Fall Festival (3<sup>rd</sup> Annual)
    - Campus Life could assist SGA on any event
      - Grub Day and any others
    - Environmental Awareness Day – set for next spring to coordinate with Earth Day

### Continued Business:

- Environmental Awareness Day, Tuesday, April 28, 1-3 p.m., Outdoor Classroom
  - Campus-wide event for students, staff, & faculty, drop-in schedule
  - Need flyer – Engle needs all the info to create and send to Taskforce to check first, then to Mike Gavin to distribute campus-wide
  - Time schedule:
    - 1:00 – 1:30 Frank Chyz – county recycling
    - 1:30 – 2:30 Refreshments/mingle and view student displays:
      - Cindy has two classes that are working on displays
      - Noelle's class can create one
      - Lori will figure out how to have access to computers so folks can take the carbon footprint quiz
      - Cindy to check on having someone play music during this time

- 2:30 – 3:00 Christine Klahn – biodiesel presentation
- Refreshments and basic setup:
  - Cindy to request 4 tables to be setup
  - Cindy will find out if there is a battery-operated PA system available just in case it's needed (Frank Chyz isn't expecting to have to use one since this is outdoors)
  - Bret to check on reserving gymnasium in case of rain
  - Meet at the Outdoor Classroom at 12:30 to setup
    - Set out Clear Stream recycling frames
    - Set out trash cans (have extra bags)
    - Cooler of water bottles
      - Lori & Noelle to provide coolers
      - Ice from Blue Room – call Lois Scruggs to see if it's in use
      - Cindy to bring 100+ bottles of water
      - Barbara & Lynn to mark a few – bring marker
      - Lori & Robin to bring flavor packets (Crystal Light, etc.)
    - Table for cookies
      - Cindy will bring napkins
      - ✂ Every Taskforce member to bring some cookies (homemade or store bought)
    - Table for prizes
      - ✂ Anyone to provide (not mandatory, just a request)
      - Reusable shopping bags
      - CFL bulbs
      - Flowers/plants/trees
      - Anything befitting the occasion!
  - Cindy asked if we could think of anything else? If you do, e-mail Cindy or the entire Taskforce
  - Lee was asked to pull up the rest of the yellow trail signs!! He replied that he can do that with the backhoe.

**Announcement:**

- Remind/encourage everyone in your area to donate at the American Red Cross Blood Drive on Thursday, April 9, 10 a.m. – 2 p.m.
