This group provides resources for bringing a global perspective to our students. Material include course materials, course modules, speakers bureau (at no cost), and newsletters. Also have the ability to “group” students for travel to obtain a group rate discount. Follow up meeting at ICC after this meeting led to a decision that we will attend the fall conference in November. Learning Strategies Task Force will spearhead the effort in conjunction with Assessment, PD faculty and Campus Life task forces. Jo James, Scott Hutchins and John Quinley will attend the fall meeting to obtain more info about resources and organization.
