I understand the following (Initial Each Line):

___ College courses will be reported to the high school and final grades will be included on high school transcripts. Grades will affect both Isothermal and high school GPA.

___ Grades can affect admissions and financial aid at Isothermal and other colleges.

___ Completing an enrollment form and expressing interest in a course does not automatically mean my child is registered for the course(s). Students will need to verify their schedule with the college liaison.

___ Isothermal classes taught on the Isothermal campus may have a different start date from classes taught at the high school or online, and they follow a different calendar. Students are still responsible for attending even when the schedule varies.

___ Isothermal does not recognize or distinguish between “excused” and “unexcused” absences. It is the student’s responsibility to contact instructor(s) and keep up with his/her work.

___ To be successful in online, hybrid, or web-based classes, students should be able to perform basic computer operations, such as copying, saving, moving and deleting files; installing new software; using a web browser, word processing and email. Students must have access to a computer with Internet connection; email; and required software. Online classes may require proctored exams.

___ In compliance with FERPA regulation, no one outside the institution shall have access to nor will the institution disclose any information from students’ education records without the written consent of students except to personnel within the institution, to accrediting agencies carrying out their accreditation function, to persons in compliance with a judicial order, and to person in an emergency in order to protect the health and safety of students or other persons. All these exceptions are permitted under the Act. The College may disclose non-directory information from the education records without obtaining prior written consent of the student to high school personnel where a student is enrolled.

___ Parent (s) and/or Guardians (s) will not be given access to his/her child’s Isothermal Moodle, email, Patriot Port, etc.

___ Isothermal classes will not be on high school progress reports. It is the student’s responsibility to keep up with progress.

___ School districts may have additional guidelines for students taking college-level courses.

___ Dropping a class at the high school does not guarantee the class is dropped at the college; the student will need to complete a college drop form. The drop deadline can be found in Isothermal’s Student Handbook and on the college website. ***School districts may have additional guidelines regarding dropping classes.***

___ It is the responsibility of the student to have books, supplies, and any transportation for class. (Courses taught on a high school campus may have books supplied by the school. Limited book funds may be available through the ICC financial aid office.)

Revised: September 2014
To maintain eligibility for continued enrollment, a student must continue to make progress toward high school graduation and maintain a 2.0 GPA in college coursework after completing two college courses.

The student may only register for courses within his/her particular pathway(s). Students interested in a College Transfer Pathway must meet the following criteria:  

a) be a high school junior or senior;  
b) have a weighted GPA of 3.0 on high school courses;  
c) demonstrate college readiness in English, reading and mathematics regardless of individual course pre-requisites.  

Students in a Career & Technical Education Pathway must meet the following criteria:  

a) be a high school junior or senior.  
b) have a weighted GPA of 3.0 on high school courses or have the recommendation of the high school principal/designee;  
c) meet the prerequisite for the career pathway.  

Students in a Career & Technical Education Pathway must meet the following criteria:  

a) be a high school freshman or sophomore;  
b) have a weighted GPA of 3.0 on high school courses (only sophomores);  
c) have the recommendation of the high school principal/designee;  
d) meet the prerequisite for the career pathway;  
e) have passed MATH I with a grade of “C” or better;  
f) have scored a 3 or 4 on the EOC for MATH I;  
g) have meet the college ready reading score of 16 on the 8th grade Explore test.

Students with an IEP (Individualized Education Plan) requesting accommodations must submit disability information to the Disability Counselor at ICC in order to determine appropriate accommodations under Section 504 (Rehabilitation Act of 1973) or ADA (Americans with Disabilities Act of 1990) which may differ from IDEA.

Classes taken through Isothermal are college courses and are taught at the college level. Some courses may contain sensitive or controversial content and require students to take a mature approach to class material.

A student interested in registering for a hands-on course such as Welding, Autobody, etc. will be required to sign a liability form.

A student enrolled in Career & College Promise classes is expected to follow all discipline requirements outlined in their school’s student handbook as well as the ICC Code of Conduct which is located in the ICC’s Student Handbook. Isothermal must maintain a record of conduct charges and related sanctions, and this information may be disclosed to outside parties with the written consent of the student.

Students seeking transfer to other institutions are urged to seek information and advice from admissions officers at those institutions prior to enrollment in classes designed for college transfer. Requirements at any institution are subject to change, and students are urged to seek the most current information available.

I give permission for my child, ____________________________________________________

(Please print student’s name), to enroll in college classes with Isothermal Community College.
