

COVID-19 UPDATE

NOVEMBER 9, 2020

New Positive Cases this week

- Employee – 0
- Student – 0

Total Positive Cases since March 23, 2020

- Employee - 7
- Student – 22

It is important to note that we do not believe any of these cases were contracted here on campus and were not related in any way. If there is a concern that an individual has been exposed, they will be contacted directly.

New Procedures Effective November 2, 2020

The college has reviewed our procedures and has determined that proof of negative results will now be required for those that have been tested for CoVid-19 due to being symptomatic, exposure to a symptomatic case, or exposure with a confirmed positive case. For questions on this please email covid@isothermal.edu

If you are being tested routinely for work or a medical procedure, we do not require your results to be submitted!

Self-Reporting Form

<https://www.isothermal.edu/coronavirus/index.html>

Please complete this form if you:

- are symptomatic
- are being tested for CoVid-19
- are concerned you have been exposed

A college representative will contact you to discuss your next steps.

Wear a Mask to Protect Others

- Wear a mask that covers your mouth.
- Wear a mask in public settings.
- Wear it correctly for maximum protection.
- **Don't** wear the mask around your neck or up on your forehead.

Please follow these guidelines to protect yourself and everyone else!

Need help?

We recognize this is a stressful time. Those having difficulty coping with stress related to CoVid-19 are encouraged to contact:
