

Request to Re-evaluate Dependency Status

Printed Name: _____

Student ID Number: _____

The United States Congress has developed a definition for Independent students for Federal Aid purposes. According to the Department of Education, an independent student is one who meets one of the following conditions.

The Student:

- Is at least 24 years of age
- Is a veteran of the U.S. Armed Service
- Is married
- Will be working on a master's or doctorate program
- Is a ward/dependent of the court until age 18 or both parents deceased
- Has one or more dependents that get more than half of their support from the student

If you do not meet one of the above criteria, you will be evaluated as a ***dependent student*** and you must provide the income and asset data of your parents. In extreme cases, the Office of Financial Aid may be able to assist a student who is dependent by definition, but who does not or cannot have contact with his/her parents. This applies to such situations where the student's physical or emotional welfare is jeopardized by contact with the parents/guardians. In such cases, the student must complete this form and provide written, notarized, documentation from a third party provider. Additional documentation may be requested if warranted by the situation.

YOU MUST PROVIDE ALL INFORMATION LISTED BELOW (Items 1 - 7) TO BE RE-EVALUATED BY THE FINANCIAL AID OFFICE FOR INDEPENDENT STATUS.

1. What are your present living arrangements? How long has this arrangement taken place?
2. How do you support yourself and meet your living expenses?
3. When was the last time you lived with your parents?
4. When was the last time you had contact with your parents?
5. When did your parents last provide any form of support?

6. Please explain any unusual circumstances which clearly indicate that you should not be evaluated as a financial dependent of your parents or guardian. NOTE: Parents' unwillingness to pay for college is not sufficient. Also, not living with your parents is not sufficient cause for independent status. You must prove unusual circumstances such as abandonment or abusive situation.

Supporting Documentation Must Be Attached

7. You must provide a signed and notarized statement from a third party service provider (pastor, counselor, social service, probation officer, etc.) that clearly documents the unusual circumstances listed above. If the statement is on professional letterhead, it doesn't have to be notarized. The statements must include contact information (address & phone number) so that the Financial Aid Office can follow up on the statement.

I certify under penalty of perjury that the above information is true and correct.
