By accepting the award, you agree to the terms and conditions for the Lee Powers Scholarship which includes completing 5 hours of community service (fall and spring semester), **OR** work at least 30 hours per week, **OR** complete a Human Resource Development (HRD) class through Continuing Education.

You will need to accept your award in order for the money to actually disburse. If you do not accept the award, you will be sent a bill for your tuition and fees.

2022-2023
Lee L. Powers Service Scholarship Terms and Conditions

You must accept your award through your Patriot Port account.

Determination of Award: The Lee L. Powers Service Scholarship is awarded **annually** to students who are seeking a certificate, diploma, or degree within an academic program and do not qualify for financial aid funds in an amount great enough to cover the full cost of tuition and fees. Students receiving this scholarship must possess a high school diploma or the equivalent in accordance with the Admissions Policy of Isothermal Community College. Recipients must also be legal residents of the State of North Carolina, residing in Rutherford or Polk Counties. Students may be eligible to receive the Lee L. Powers Service Scholarship for a maximum of ten (10) semesters of funding, regardless of enrollment status. Example: Enrollment in one course equals one semester of funding.

Amount of Award: The Lee L. Powers Service Scholarship is intended to ensure total funding for tuition and fees for all recipients enrolled during the **fall and spring semesters of an academic year**. In the event that funds are insufficient to cover awards for all qualified applicants, awards will be processed on a first come, first served basis based on the date the student's financial aid file was complete. The actual amount of the scholarship will be determined by the number of applicants and revenues allocated. **Scholarship awards for the summer semester are dependent on the availability of funds.**

Enrollment Status: The Lee L. Powers Service Scholarship is awarded based on the student's enrollment status. **Enrollment status is determined as of the financial aid census date published on the Financial Aid website.** Award amounts may be reduced for students dropping or no showing in classes prior to this date. This could result in the student owing all, or a portion, of their tuition and fee charges for the semester. The above definitions apply to all terms.

Scholarship Obligation: Recipients of the scholarship will be required to complete **one** of the following during the fall and spring semesters (summer excluded):

1. Complete a four (4) hour Human Resource Development (HRD) course, offered by Isothermal Community College each semester. Students must provide a copy of the "Certificate of Completion" to the Power Scholarship Coordinator before tuition is due for the upcoming semester.
2. Complete five (5) hours of community service per semester, by the date specified on the Community Service Verification Worksheet. Community service must be completed with a non-profit organization (i.e. 501(c) (3)). Students are strongly encouraged to begin completion of community service hours upon notification of the scholarship award. Community service hours must be completed after official annual notification. Excess community service hours completed will be banked and applied toward service hour requirements for future semesters.
3. Provide documentation from an employer each semester verifying employment of 30 hours or more per standard week during enrollment at Isothermal Community College.
4. Provide documentation of military deployment or medical emergencies during enrollment at Isothermal Community College.

Failure to fulfill the scholarship obligation will result in a reversal of future scholarship funding and may require paying any outstanding balance.

Academic Progress: Students receiving the Lee L. Powers Service Scholarship must demonstrate satisfactory academic progress (SAP) as outlined in the SAP handout. Students failing to meet the standards outlined the SAP handout are placed on financial aid warning or suspension. Those placed on suspension may appeal their status by following the appeal process as outlined in the SAP handout. Evaluation of academic progress will occur at the end of each semester once final grades are received.

Re-Application: The continuation of Lee L. Powers Service Scholarship from year to year is not automatic. If you plan to enroll in college next year, you must re-apply for Lee L. Powers Service Scholarship by completing the new Free Application for Federal Student Aid (FAFSA). This application is available online at www.studentaid.gov in October of each year.

Review and Adjustment of Award: The Financial Aid Office reserves the right to review and adjust or cancel an award due to changes in financial, enrollment, or academic status. Awards also may be adjusted or canceled if an error is made in determining eligibility for aid or calculating the amount of aid or if information on the application or need analysis is determined to be incorrect.

Outside Awards: Students receiving aid from sources outside the institution, such as WIOA and/or private scholarships, must notify the Financial Aid Office so that aid can be coordinated with other assistance. The North Carolina Community College Grant (NCCCG) and private scholarships, unless otherwise specified by the donor, will be applied to tuition charges.

Recipients of the NCCCG will receive an additional scholarship award. The award amount will be equal to the NCCCG award amount. This award can only be used to purchase textbooks and *required* supplies in the Isothermal Community College (ICC) Bookstore. Excess funds remaining on the student's account will be returned to Powers Scholarship Fund. Students will not receive a check for this award.

Repayment: Students are not required to repay the Lee L. Powers Service Scholarship under any circumstance.

Failure to Return to School: The Lee L. Powers Service Scholarship is awarded based on enrollment. This scholarship will be canceled for students who fail to enroll fall or spring semester.

Changes: A student should notify the Financial Aid Office in writing of changes in his/her name, address, home telephone number, academic program, or enrollment status. **He/she is required to notify the Financial Aid Office if withdrawing from all courses.**

***** Federal Income Tax Return:** Scholarships which have a community service component, such as the Lee L. Powers Service Scholarship, may be considered taxable income. The Internal Revenue Service regulation outlined in Publication 970 stipulates scholarship recipients must report the amount they received for tuition and books. Any amount you receive from the Lee L. Powers Service Scholarship may be subject to be reported each year on your Federal Income Tax Return as income. We encourage you to contact your tax advisor who should be familiar with this regulation for further guidance.

**Accept the Powers Scholarship through your
Patriot Port account.**

Community Service Opportunities

Organization	Contact Person	Contact Number	Email	Type of Work
