

Good afternoon,

Isothermal Community College is looking forward to hosting your visit to our area and our campus next week. Good news! Experts at Western Carolina University say fall leaf color should be brilliant this year. Our early fall colors will be showing next week.

To help you pack appropriately, here is the weather forecast for Spindale, NC:

**Image links to Weather Channel forecast for area.*

Spindale, NC 10-day forecast: <http://www.weather.com/weather/tenday//USNC0650:1:US>

Also, you will be visiting some of our local attractions during your trip. Here are a couple of links with more information about the area:

- Tryon International Equestrian Center: <http://tryon.coth.com/>
- Lake Lure: <http://www.rutherfordtourism.com/>

We may have some showers on Tuesday, Oct. 27 and Wednesday, Oct. 28, so please bring a light rain jacket. Isothermal will provide umbrellas as needed.

Safe travels,
SACS Liaison
