## **DUES, FEES, AND EXPENSES**

### **Policy Statement**

**Payment of dues and fees.** A high percentage of the operational costs of the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) is met by annual institutional dues. All member and candidate institutions shall pay dues and fees in accordance with those authorized by SACSCOC and approved by the College Delegate Assembly and the SACSCOC Board of Trustees.

A statement of dues shall be issued by the Commission and shall be payable upon receipt of the Commission's invoice by the member or candidate institution. The invoice is sent to the chief executive officer of the institution. Dues assessment information is not released about an institution without written permission by the institution's chief executive officer.

Dues statements are mailed to institutions in April and are payable by June 30 but not later than July 31. When an institution fails to pay its dues by the designated deadline, the Commission will assume from this action that the institution no longer wants to maintain its membership or candidacy with SACSCOC. By that action, the institution withdraws from membership or candidacy.

If an institution has filed bankruptcy, the Commission may not act to revoke accreditation for failure to pay accreditation dues and fees during the pendency of bankruptcy.

**Travel expenses for evaluation committees of the Commission.** Travel expenses relative to Commission staff and committee visits are borne by the institution being visited. The institution will be billed by SACSCOC following the visit. Institutions being reviewed are responsible for covering the actual direct expenses of the evaluation committee. Direct expenses normally include travel, lodging, meals, and other related expenses. For general budgeting purposes, institutions may use a guideline of approximately \$1,500 expenses per committee member; however, expenses vary considerably depending upon the site location(s), the number of committee members, etc. In certain cases, a "flat fee" is used for administrative overhead rather than actual direct expenses. (See administrative fees for special and substantive change committee visits and for fifth-year reviews of off-campus instructional sites.)

### **Schedule of dues, fees, and expenses.**

#### **1. Membership and Candidate Dues**

Candidate and member institutions are assessed annual dues beginning with the calendar year in which candidacy or membership is awarded. Dues assessments for member and candidate institutions are based on the following formula:

Dues = Fixed Cost + Full-Time Enrollment Equivalent Variable + Educational & General Expenditure Variable

If an institution's E & G total does not exceed \$4,000,000, then that institution's dues amount includes only the fixed cost amount added to the full-time enrollment equivalent variable amount.

**2. Fees for review of Applicant Institutions**
