

Credit Hour Determination & Definition

Isothermal Community College makes determinations regarding credit hours and credit awarded consistent with the North Carolina State Board of Community Colleges policy 1D SBCCC 400.1c. Course descriptions and credit hours, lab hours, clinical hours and contact hours are scheduled for course delivery consistent with the North Carolina Community College System Combined Course Library. Credit hours awarded for each class and hours required for program completion are described in the college catalog.

Policy Number: 401-01-03AP
