

# **Inclement Weather or Emergency Closing**

In the event curriculum classes are canceled due to inclement weather or emergencies, time missed shall be made up by alternate assignments and documented with the appropriate dean/director's approval. Alternative assignments may be developed and approved in advance if the course content has such flexibility, e.g. a unit may be held in reserve pending weather cancellations but included in class in the event there are no cancellations. If days canceled exceed five in a semester, break time may be rescheduled for class meetings.
