

Inclement Weather or Emergency Closing

In the event curriculum classes are canceled due to inclement weather or emergencies, time missed shall be made up by alternate assignments and documented with the appropriate dean/director's approval. Alternative assignments may be developed and approved in advance if the course content has such flexibility, e.g. a unit may be held in reserve pending weather cancellations but included in class in the event there are no cancellations. If days canceled exceed five in a semester, break time may be rescheduled for class meetings.
