

Testing Service

In support of its mission to “improve life through learning”, Isothermal Community College seeks to ensure that students have adequate access to educational opportunities and can succeed in the pursuit of their educational goals. For this reason, student assessment is part of the College’s educational program.

Assessment and testing services include the administration of the placement assessment and testing for competitive admission programs for Isothermal Community College applicants and students. High school equivalency tests and proctoring services for distance education students attending other collegiate institutions may also be provided.
