

Honorary Degrees

The Board of Trustees hereby establishes the following honorary awards:

1. Honorary Associate Degree
2. Emeritus Status Award

These awards are designated as the highest and most prestigious awards for presentation to citizens who have provided meritorious service or support to the College in fulfilling its mission to the Community. The Board hereby authorizes the President to present these awards to deserving citizens on appropriate occasions following consultation with the Board of Trustees.

The Board of Trustees further authorizes the President to identify appropriate guidelines for the selection of deserving recipients and the presentation of these awards.
