Any Isothermal Community College student who has experienced a lapse in enrollment at ICC for a period of at least three consecutive academic years may petition in writing to have grades older than three years old and below "C" disregarded in calculating the GPA. Following re-enrollment the student must complete at least 12 semester hours with a minimum grade point average of 2.0 prior to requesting an academic fresh start. In some instances students who change majors and complete 2 academic semesters with at least 12 semester hours and a 2.0 GPA in the new major may petition for an academic fresh start even if there has not been a lapse in enrollment.

Rationale for petition must be completed by student. If you need additional space, you may use back of this form or attach a separate sheet.

I understand that this is a ONE TIME ONLY request. Students transferring to another college should contact the institution to determine the impact of Academic Fresh Start on transfer. Fresh start GPA calculations are not used in determining eligibility for student financial aid. If this request is approved, the record of the earlier course work cited remains on my transcript but is not calculated in my cumulative GPA.
